

# Bluebell Lodge Newsletter

June 2017

## Out and about-

This month we have been planning and risk assessing possible outing for our babies and toddlers. This month the babies and toddlers really enjoyed going to highfield road park and having a picnic with our sister nursery Butterfly Lodge nursery. At the park we took part in lovely activities and we explored the different nature around us. The Lower and Upper Pre-school have really enjoyed going out on babboe bikes and engaging in a range physical activities.

## Friends of Highfield Road Park

This week Lower and Upper Pre-school thoroughly enjoyed going to Highfield Road Park to help plant flowers for the summer. The children loved engaging who showed the children how to plant the flowers, we can't wait to watch the park blossom.

## Summer Fair and Graduation

This year the Pre School graduation will take place on Saturday 29<sup>th</sup> July from 12pm until 2:30pm. There are plenty of different stalls at the fair such as a raffle, tombola, hook a duck and bouncy castle. This is a lovely afternoon to share with us.

## Superhero Fun Run

Thanks to everyone who took part in the superhero fun run! It was a really great event. Thank you all for the money raised to support cash for kids.

## Sun Safety

Can I remind all parents to provide sun cream and a hat for your child. It is very important to protect your child from the dangers from the sun. Please can you all ensure that the children's sun cream and hats are labelled. Please be aware that this sun cream displayed in the photo has had reports that it is not safe for use. So please use a different sun cream until we have further information.

## Updates

If any of your child's information has changed such as contact number, place of work or allergies. Please can you ensure that you let Anne or Vicky know in the office. Also please can all parents who haven't given a copy of there main birth certificate bring on in for us to have on site.

## **Collections**

We are currently collecting different materials to support us in developing our physical story time.
