Welcome back everyone! We hope you all had a wonderful Christmas and New Year. Please make sure you look at our events list to book in all the important dates for 2018 to ensure you have them saved in your diaries.

Christmas fair.

We would like to say a massive thank you to all who attended and helped in supporting our Christmas bazar. It was such a spectacular event. Santa had such a lovely time meeting you all and the elves to. We hope you enjoyed our special elf trail and all the different stalls.

Nursery awards 2017.

This year at our staff Christmas do, we had a special awards section. You may have noticed over October and November you may have participated in filling out a form explaining why you felt we or a staff member should be nominated for certain awards. Well we are so very proud to have received the best inclusive practice of 2017 award. We are so proud to have received this award as we work above and beyond to help ensure all children are included within our setting and we feel this has really shone through.

Assisted brushing.

This year we are participating in a scheme run by Better Start to help ensure healthy teeth in children. Within the Pre-school you will receive a special pack to help support families in brushing their children's teeth. It includes tooth brush, tooth paste and information leaflet. Each child will have their own allocated tooth brush and will be encouraged to brush their teeth once a day whilst they are at Pre School. We hope that by doing this it will help children to learn the importance of teeth brushing and support them in learning the right technique.

Staff information.

We would like to say a massive welcome to Amanda Dawson who is starting with us in January, Amanda will be floating around the nursery. Amanda has come from our sister nursery Bluebell Lodge and has been with the company for 10 years, we are so happy that Amanda is joining the Butterfly Lodge team. Emma Smith will now be co-ordinating the Lower Pre-School, we are so happy to have Emma in this role she has such great knowledge within early years. Also we will be welcoming Maggie Holdoway to the team Maggie will be floating around the nursery and will soon be gaining her level 3 in childcare studies.
