June 2016

Parents evening

This terms parents evening will be held on the 22nd June 6:00-8:00pm if you wish to make an appointment please speak to your child's keyworker or see Becca in the office. Chantelle in pre-school is off for this date and a date will be arranged when she returns from her leave with her key children and their families.

Gulliver the holiday bear

Gulliver is our travelling bear who enjoys to go on different trips with the children. He has his very own bag and diary where the children and their families can write about their adventures together. The children enjoy listening to Gulliver's travels at our news times. If you have a trip planned over the summer or an activity for the weekend and would like Gulliver to join along please speak to Becca in the office to arrange a time to collect him.

Club Day

Each year our St Anne's sites Clifton and Shepherd Lodge take part in Lytham Club day carnival. This year it is on Saturday the 25th June, if you are going along to look at the parade look out for the circus themed float that they will be on and don't forget to give them a big cheer.

Local news and events

Our Local children centre is Thames located on Severn Rd, Blackpool FY4 1EE don't forget to check out their activities over the summer period. Their timetable is accessible online at www.blackpool.gov.uk. Thames offers many different available activity sessions for both children and parents and offers a one-stop shop for a variety of services for children from pre-birth to 13 year old, A place you can get professional advice on health and family matters and learn about training and job opportunities.

Euros 2016 Flag making

To celebrate this year's Euros 2016 the children are taking part in a variety of different football related activities. All the children are experimenting with the physical abilities and learning more in depth about the sport and will be taking part in challenges over the course of the event, we would love for the children to look at home at different country flags and to design their own flag for our hallway to show our support for Euro 2016.
