We will have lots of fun games and activities to join in with, our Christmas raffle with great prizes to be won and some festive food throughout the duration of the fair will be available. Our special guest has taken some time out of his busy schedule to come and pay us a visit Father Christmas!!!! He will be coming to read a special story to the children and he will also be meeting and greeting with the children in his grotto. If you would like to meet him please book a time slot in with Rebecca in the office. We hope to see you all there.

Decorate your own Christmas decoration

We will be getting our Christmas tree at the beginning of December however we do not have many decorations. We would love if all the children would join in to help make our tree look extra special by adding some of their own decorations. Each child will receive prize for participating, here are some ideas to get you started.

Name the elf

The elf on a shelf is a special elf that is sent from the North Pole to help Santa Claus manage his naughty and nice lists. When someone adopts an elf they have the special task of naming it, we are expecting two of Santa's elves on the 1st December but we need to give them both a name, we are expecting a boy and a girl elf. The boy elf will be watching over the Lower pre-school and the girl elf will be watching over the pre-school. Each night the elves will use their magic powers to fly back to the North Pole to report back to Santa Claus about all of the days adventures that we will be having. Each morning the elves

will return to the rooms but each time will have moved to a different spot within the room, but be careful these elves can be mischievous on their return. Please fill out one of the name suggestion cards from your key person in the room. We will be drawing out the names on the 30th November.
