Christmas Jumper Day

Thank you to everyone who donated for Christmas Jumper day held in December, we raised a total of £34.50.

Expressive Arts and Design

The lower pre-school have been experimenting with textures and colour making some ice cream dough. The children used gross motor skills for stirring and mixing, the activity encouraged the children to use their sense of touch and smell. The dough actually looks like real ice cream you could even put it in the freezer so that it feels like ice cream too! If you would like the recipe to try this out at home please see Natalie in the office it's very simple to make!

Tower Trips

We are pleased to be running our trips to Blackpool Tower, Jungle Jims and the circus. All children who are at nursery for the full day session within the lower pre-school and pre-school are able to attend dates will be arranged in the office please see Natalie and Helen for more details.
